Churches Together London is bringing people together to help in London's neighbourhoods. Started in 2010, we believe that churches are making a positive difference in our community, and that by listening and collaborating we can help good new things happen in London's neighbourhoods.

Churches Together London is about:

- **Learning** together to have effective community involvement
- **Investing** in neighbourhoods through long-term relationships
- **Sharing** efforts, ideas and resources
- **Building** on community strengths and skills
- **Partnering** with local churches, neighbourhoods and organizations

"Transformational community ministry is the art and discipline of recognizing, developing and calling forth the gifts, talents and resources God has already placed in the world for the benefit of all in the community."

~ Dr. Mary Nelson in her book, *Empowerment: A Key Component of Christian Community Development*

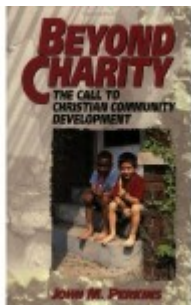

"The effective helper can be an encourager, a coach, a partner but never a caretaker." ~ Robert Lupton in his book, *Toxic Charity*
